March 13, 2020

413-298-3926

To the members of the BBG community:

In light of the continuing coronavirus health situation, BBG has canceled all education classes, lectures, workshops and off-site visits, from Monday March 16 until April 15. In addition, no other indoor events will be held at BBG during this period. Based on recent school closing announcements, BBG’s after-school programs will likewise not run until further notice. We will continue to evaluate the health threat, and based on state and local guidance may extend the period of cancellations should this become necessary.

Thank you for your patience and understanding as BBG adapts to the challenges presented by the coronavirus outbreak. Our highest priority is to keep our community safe.

Sincerely,

Michael Beck
Executive Director
