

## WATERCOLOR SUPPLY LIST

2019

Ann Kremers—**instructor**

annjkremers@yahoo.com

If you have watercolor painting supplies please bring what you have and, please review the list to make sure that you bring everything you will need. If you don't have the brands, exact colors, sizes, etc. that I recommend you do not have to buy them, just bring what you have.

Supplies can be ordered from cheapjoes.com, dickblick.com, jerrysartarama.com. Amazon has a lot too. These supplies are also available locally, but the catalog prices are steeply discounted.

I have done my best to make this list affordable by choosing student grade paints and paper. You can always upgrade if they no longer satisfy.

### PAPER

Canson Montval watercolor paper 9" x 12" or 10"x 15", block or pad

### PAINT

Cotman or Academy 8ml tubes

Alizarin Crimson Hue

Sap Green

Cadmium Red Pale

Ultramarine Blue

Cadmium Yellow Pale

Cerulean

**BRUSHES**—Make sure that any brushes you buy are watercolor brushes. Oil or acrylic brushes won't work well.

Princeton Artist Neptune Series 4750 Size 10 round and optional 1" flat

Optional-- Grace Art Water Color Set—*really* cheap from Amazon but surprisingly useful little brushes for details

### TAPE

¾" Art Tape white OR ¾" Drafting Tape tan

## **BOARD**

If you bring loose paper you will need a board to tape it to.

## **PALATTE**

You need a white surface that is impervious to water to squeeze your paints onto and large enough to mix colors. There are many kinds for purchase. If you are just starting out, I suggest a clean white plate, china, plastic or Styrofoam.

## **WATER CONTAINER**

Please bring a wide mouth container approximately **one quart in size**. Please do not bring a small container. Your water will be dirty too quickly. Water will be available at the site.

## **RAGS**

Lintless, absorbent, preferably white, cotton sheeting is good, cotton jersey is best.

## **PENCILS AND ERASERS**

#2, B or HB pencil

Kneaded and/or plastic eraser

## **A REALLY BIG BAG**

Or something, to carry all this in

## **OTHER THINGS RECOMMENDED FOR AN OUTDOOR CLASS**

Water to drink

Sunscreen

Insect repellent

Hat

Sturdy shoes

Adequate/appropriate clothing

Chairs and painting water will be provided
