Questions regarding the horticulture division can be addressed to:

Stephanie Bradford • (413) 298-3586 • sbradford311@gmail.com

# Grow Show Rules and General Information

## Horticulture

### General Information for Entering

- The general public is encouraged to enter the Horticulture Division. Whether you enter a single bloom or enter every category, there is no charge to exhibit.
- See schedule on previous page for entry dates and times. When you arrive with your entries, Garden staff and volunteers will greet and assist you in categorizing your entries. Containers for cut specimens will be provided by the Garden.

### Rules and Guidelines

- Please note the delivery and removal dates and times listed on the previous page. No late entries, please!
- All plant material must have been grown by or have been in the possession of the exhibitor for at least two months before the show.
- All specimens should be entered with their correct botanical names, including the variety/cultivar whenever possible. Top awards cannot be given to improperly labeled entries. You may enter more than one specimen per class as long as they are different varieties/cultivars.
- All heirloom and organically grown vegetables may be entered in their species classes and identified on their entry card as “H” or “O” or “HO”. They will be judged against all class entries and will also be judged separately against other heirloom and organic entries in the class. The judges will consider minor imperfections acceptable in organically grown entries.
- The passing Committee may refuse any entry that does not conform to the schedule. Diseased or insect infested plants will not be accepted. Clean, neutral-colored pots are preferred for container grown plants.
- Decisions of the judges will be final.
- The Committee and the Berkshire Botanical Garden will exercise all due care, but cannot be held responsible for loss or damage of exhibits.

### Horticulture Awards

1st, 2nd, 3rd and Honorable Mention ribbons will be awarded in each class.

**The Award of Merit** may be awarded to a named blue ribbon Horticulture exhibit judged the finest.

**The Beinecke Bell** may be awarded to the blue ribbon winner deemed to be Best in Show and judged to be the finest in the Horticulture Division. Donated by the Lenox Garden Club in honor of Carrie Beinecke.

**The Marsha Schulte Award** may be given to an outstanding Horticulture exhibit. Donated by the Berkshire Garden Club in honor of Marsha Schulte.

**The Sweepstakes Award** may be awarded to the entrant who accumulates the greatest number of Blue Ribbons in the Horticulture Division.

**The Susan Delphia Award** may be given to a singularly worthy entry in either Floral Design employing creative leaf manipulation or to a worthy organically grown Horticultural entry. Initiated by the Berkshire Garden Club and maintained by the Berkshire Botanical Garden in honor of past member Susan Delphia. Awarded in odd numbered years in the Floral Design Division and even numbered years in the Horticulture Division.

**Judges Commendation:** a special citation given to any class, flower show division, special exhibit, clerks, etc., recognizing outstanding accomplishment within the given area by the judges.

### HORTICULTURE DIVISION
