

BERKSHIRE BOTANICAL GARDEN

Help Us Prepare for Wreathmaking!

We are seeking these plant materials for making outdoor wreaths for our next fundraiser, Holiday Marketplace.

Do you have any of these in your garden or woodland that you can share with us?

acorns
lichen and mosses
unusual pinecones
sumac and teasel seed heads
any other unusual seed heads
tree mushrooms
bird's nests
grape vine
birch bark and other tree bark
birch branches
colorful evergreen branches and twigs
2' long woody twigs

Please don't collect from the wild.

Collected items can be dropped off behind the Education Center or in the front office.

Thank you!
